

MISSION STATEMENT

The Algona Public Library will act as a center to provide materials and services to help meet the informational and recreational needs of all community members.

PERSONNEL POLICY

Appointment

It is the policy of the Algona Public Library not to discriminate against an applicant for employment or an employee in hiring, accepting, registering, classifying, referring for employment, discharging or otherwise because of the applicant's or employee's age, race, creed, color, gender, sexual orientation, national origin, religion or disability unless based upon the nature of the occupation.

Selection of staff members is based on merit with due consideration of personal, educational and physical qualifications as well as training and aptitudes for the position involved.

Political preferment, pressure or recommendations by influential persons shall have no weight in library appointments.

Recruitment Selection and Placement

1. In accordance with the Equal Employment Opportunity Act, job openings will be publicly posted within the Library and on the Library's website for at least two weeks. The position will be advertised a minimum of two times in a local publication. Each applicant will be required to complete an application for employment or submit a resume at the discretion of the Director.
2. Once the applications have been received, a manageable number of those apparently most qualified for the position will be interviewed.
3. Upon completion of the interview process and thorough review of the eligible applicants an applicant may be appointed.
4. If no applicant meets the requirements of the Library for employment the procedure may be repeated.

Types of Employment

1. Regular full-time: scheduled to work forty (40) or more hours a week on a regular basis.
2. Regular part-time: scheduled to work twenty (20) or more hours a week, but less than forty (40) hours a week on a regular basis.

4. Casual and Temporary: hired for a period of six (6) consecutive months or less per year to cover situations such as seasonal demands or replacements for absenteeism or vacations.

Promotion

Whenever practical, the higher positions within the Library will be filled by a promotion of a lower ranking qualified employee. The individual will be interviewed and evaluated based upon the best interests of the Library and the best person available for the job will be hired. This practice is observed so that both employees and the public will regard government service as a career. Promotion will be considered to minimize the turnover of personnel.

Probationary Period

The probationary period shall be regarded as an integral part of the employment process. Termination or promotion can result after an employee's probationary period. Completion of the probationary period should not be construed as a guarantee of employment for any specific duration.

All employees shall serve a minimum probationary period of six consecutive months following original appointment, promotion or re-employment. The Director may approve the extension of a probationary period up to six additional months for an employee if he/she thereby considers the best interests of the library to be served. Any employee may be terminated at any time during or after the probationary period at the discretion of the Director.

Employee Performance

Evaluations provide an employee and the employer with a communication link toward improvement in job performance. The evaluation will also provide an opportunity for criticism or praise concerning the work being performed by the employees.

Once each fiscal year, every employee shall be rated on his/her performance of the past year. The Director will conduct the evaluation of Library staff. The

Personnel Committee members will conduct the evaluation of the Library Director, as they deem appropriate.

Dismissal

When the need for leave for a serious health condition of the employee or his or her spouse, child or parent, is foreseeable based on planned medical treatment, the employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the Library, subject to the approval of the health care provider of the employee or the health care provider of the child, spouse or parent of the employee, as appropriate. In addition, the employee in this case shall provide the Library with not less than thirty (30) days notice, before the date the leave is to begin, of the employee's intention to take leave, except that if the date of the treatment requires leave to begin in less than thirty (30) days, the employee shall provide such notice as is practicable. 3. The appropriate medical facts within the knowledge of the health care provider regarding the condition.

In addition, for purposes of leave to care for a child, spouse, or parent, the certificate should give an estimate of the amount of time that the employee is needed to provide such care. For purposes of leave for an employee's illness, the certificate must state that the employee is unable to perform the functions of his or her position. In the case of certification for intermittent leave or leave on a reduced leave schedule for planned medical treatment, the dates on which such treatment is expected to be given and the duration of such treatment must be stated.
